## LAST CHANCE AT THIS PRICE TO OWN THIS GORGEOUS

DOUBLE BRED SOUTHERN SUNRISE STALLION.

While looking kind of scruffy in these pictures after a long Idaho winter, Solaris is now slick and rapidly developing into an outstanding looking stallion. He stands 15hh. He is well-mannered and handles easily. His intelligence is obvious. He was imprinted at birth and has 15 days professional training. He trailer loads, has been bathed twice, carries a saddle, stands well for farrier. He is up-to-date for all vaccines. He has been color tested as double-crème and heterozygous agouti. He is ready to begin his breeding career. \$2,200 OR will trade for an older, trail trained Missouri Fox Trotter.
